

Integrated ambient light: 

## THE POWER DWARF

... for prevention, regeneration, regulation, anti-aging, well-being, sleep quality, and relaxation.

... for private use or in the workplace.

**Application time: 40 minutes**

The Little Atmos is the first compact vitalizer from the Airnergy perduct family. Designed for beginners or as a second device, ideal for use at home or in the office as part of a preventative health routine, this little powerhouse — affectionately called so by customers — may well become a favorite, especially among children.

Its footprint is roughly the size of an A5 magazine.
